## HIS BIRTHDAY

When a man has preached 6,907 sermons, baptized 1,035 persons, married 375 couples and is still active in the ministry after a life of 70 years, he certainly has a license to write a book about his work. And this is just what the Reverend G. W. Hatcher, whose birthday was yesterday, pastor of the New Salem, Huntsdale and Bonne Femme churches, has done and is doing. His book, "A Pilgrim and His Pilgrimage," will be off the press in a few days.

Mr. Hatcher was born in Green County, Kentucky, on August 5, 1846, and spent his early life there. When 24 years old, he came to Missouri and after teaching school for two years entered William Jewell College, but ill health forced him to leave. In April 1872 he was ordained as a minister.

## MOTHERS ATTENTION!

Recently we bought 50 boys wash and cool cloth suits, ages 6 to 15 years, that we are going to close out at less than wholesale price, which is from \$1.50 to \$4.

These suits are of the latest pattern and are very great values at the price. We also have many other bargains in the store such as ladies wash skirts and waists, girls dresses, etc., that you can buy for less than you can buy elsewhere. We will appreciate an investigation.
